

the convenient solution

THE FLAVIA CREATION 400™

The FLAVIA Creation 400™ is easy to use, convenient and clean, making it simple to maintain and hassle-free. With its industry-leading reliability, you can have your drinks delivered within seconds.

Its user friendly, intuitive interface means that you get an inviting, positive drinks experience right from the start. Once you have selected your drink from the fantastic range available, on-screen instructions guide you through the quick and simple process of brewing it. The hard work is performed within our unique Fresh Packs - in fact it's so convenient that cleaning and restocking the merchandiser takes only a few moments.

The FLAVIA Creation 400™ is extremely versatile; it can be dotted around the office and easily re-sited thanks to its plumbed or unplumbed functionality.

FLAVIA keeps your day running smoothly, delivering maximum benefit for minimum involvement.

FRESH RELEASE

With our innovative FRESH RELEASE™ brewing system, FLAVIA serves a delicious fresh cup every time. Hot water unlocks the sealed Fresh Pack, releasing the aromatic ingredients brewing inside. The FRESH RELEASE™ system adds just the right temperature and volume of water, for just the right amount of time, ensuring maximum taste and flavour is extracted to serve you the perfect cup, when you want it, every time.
